Lodging:

Hotels are primarily located in Blacksburg and Christiansburg – SureStay and Comfort Inn/Blacksburg are popular dog-friendly hotels.

Airbnb's can be found in Eggleston, Newport, Blacksburg, Christiansburg, and other locations in Giles, Craig, and Montgomery Counties. Please contact me if you have any questions about rural GPS routes to lodgings such as Airbnbs.

Onsite Camping and Wifi:

Vans and smaller campers (my driveway is a bit tight) are welcome, as space allows. Please contact me if you wish to camp/car-camp.

High speed wifi is available for \$5/person for the event. Verizon and other non-ATT/US Cellular users usually do not have adequate cell service, if any, at our farm.
